## Study Hour Director

Weekly Commitment: 3-6 hours

The Study Hours Director is responsible for managing the study hours session. This includes running weekly sessions, finding upper-year support students, and organizing coffee, tea and snacks.

The Study Hours Director will collaborate with the VP Academia and the Academia Committee to ensure that all events align with our organization's goals and scope.

For more information on this position, click [here](#) and to express your interest in the position, email [uvicwecs.official@gmail.com](mailto:uvicwecs.official@gmail.com) with your name and completed [WECS Expression of Interest](#).

## Academic Session Support

Commitment Level: Varies

These positions will support the Academic Team during the weekly study hours and finals review sessions.

We are looking for support across all courses, including (by not limited to):

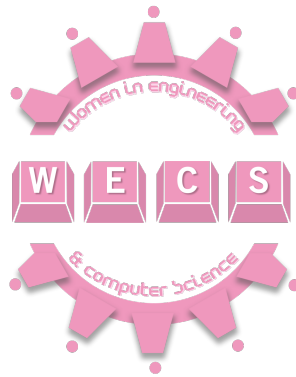

- Engr 141
- Phys 111
- Chem 150
- Csc 110/111/115

The study hour session will be held Thursdays 1-2:30, and is an opportunity for students to study in what ever way works for them. Some sessions may involve answering a lot of questions or giving advice to lower level students. Other sessions may be more relaxed and offer you some time to do your own work.

Final review sessions are held at the end of the year, preferably each session is held 2-3 days before the final exam for that class. We will need session leaders and supporter. Leaders will be asked to provide answers to a few higher-difficulty questions, and to review our study packages to ensure they are prepared to lead a review session. Supporters will be asked to review of study package.
