# WELCOME BACK!

Hello and welcome to the height of summer! It's so hot, even the ice cream is looking for shade! So take a break from school, enjoy the nice weather and stay tuned to discover the exciting activities we've lined up, our latest plans, and the open positions available at WECS!

---

# THIS MONTH'S UPDATES

→ We are developing our [\*\*discord server!\*\*](#) Join to get updates on our Events and Review Sessions, access to our Study Materials, and chat with other ECS students!

→ As WECS is a group dedicated to inclusivity in ECS, we would love to hear your feedback in this [\*\*survey\*\*](#)!

→ **We now have a Volunteer List!** Would you like to get involved in WECS but can't commit to a core team role? Join our Volunteer List! Follow up on our Instagram for more information.

→ **Recent Events:**

We ended Pride Month with a BBQ! With great food and excellent company, it was a real blast! We've also run a couple Review Sessions, including one for CSC 115! Special thanks to everyone who planned and attended our recent events!

---

# UPCOMING EVENTS

***All Events are Open to Everyone!***  
**RSVP on our Website**

**Women in Engineering Day Celebration**

Victoria, 3800 Finnerty Rd, Victoria, BC V8P 5C2, Canada

Come celebrate International Women in Engineering Day with WECS!

**UVIC Engineering Competition!**

We're going to the Eng Competition on July 14th! To join a WECS team and find out more, use this [link](#)! Sign-ups for a WECS team close July 10th but if you miss that deadline, hope is not lost! To sign up in general/not with a WECS team, use this link instead, it closes on the 13th and goes right to the ECSS: [ECSS Sign-Up](#)

# **OPEN POSITIONS**

This summer, we would love to invite you to join our team! Explore open positions on [our website](#) and apply by completing and emailing the interest form. Gender-diverse individuals are encouraged to apply! We look forward to welcoming you aboard and collaborating together!

**Currently, our open positions include:**

## Workshop Director

The Workshop Director is responsible for planning and executing workshops that provide valuable skills and insights to club members, enhancing their professional development. This includes developing and presenting workshops to the Professional Development Committee, and executing chosen workshops.

## Speaker Series Director

The Speaker Series Director is responsible for planning and executing our speaker series that bring industry experts, thought leaders, and professionals to share insights and knowledge with club members. This includes finding and communicating with speakers, developing topics for the series, and executive the sessions.

The Professional Development Committee organizes events, seminars and workshops that focus on providing opportunities for students to develop their network. In doing so, the committee provides all students, irrespective of gender, who attend events with the confidence and tools to succeed in their career.

## Internal Outreach Director

The Internal Outreach Director is responsible for managing communication between WECS and other UVic-related groups. This includes other UVic Clubs and Course Unions, the ESS, the UVSS, and the Engineering and Computer Science Departments. The Internal Outreach Director will collaborate with the VP Outreach to ensure WECS is informed of internal events and communications.

## VP Academia

The VP Academia is responsible for managing the academia team. This includes running bi-weekly meetings with all committee members, goal setting, and task delegation. VP Academia will collaborate with the President to ensure that all events align with our organization's goals and scope.

The Academia Committee organizes events, seminars and workshops that focus on improving the academic performance of students. In doing so, the committee provides all students, irrespective of gender, who attend events with the confidence and tools to succeed in their courses. Past initiatives included midterm and final review sessions, and study hours.

## Additional Positions:

If these positions aren't for you, we are also looking for support across all courses, including (but not limited to): ENGR141, CHEM150, and CSC110/111/115.

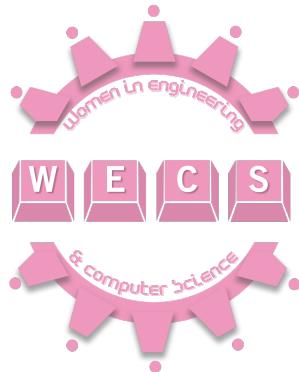

We are seeking both leaders and supporters:

→ **Leaders:** answer high-difficulty questions and review study packages.

→ **Supporters:** assist with study package reviews.

Please express your interest by filling out this [interest form!](#)

## Enjoy The Sun! See you Later!
