The *WECS* Scoop

Love is in the air - and so are midterms! Welcome to the February edition of *The WECS Scoop*! Whether you're falling for finite element analysis, crushing on control systems, or just trying to stay on good terms with your compiler, we're here to add some sweetness to your month. From exciting WECS events (like our upcoming *Gal-entines* event) to open positions and community support, consider this your friendly reminder that you're not debugging or stress-testing life alone. Wishing you a semester full of good vibes, great ideas, and low structural strain!

Monthly Updates

→ We are developing our **discord server!** Join to get updates on our Events and Review Sessions, access to our Study Materials, and chat with other ECS students!

→ As WECS is a group dedicated to inclusivity in ECS, we would love to hear your feedback in this **survey**!

→ **We now have a Volunteer List!** Would you like to get involved in WECS but can't commit to a core team role? Join our Volunteer List! Follow up on our Instagram for more information. *Make sure to also check out our Instagram Stories for more volunteer sign-ups throughout the semester!*
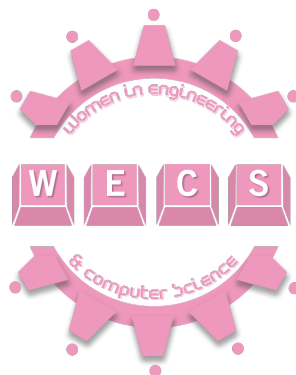

→ **Recent Events:**
Galentines: Earlier this week, we celebrated Valentine's Day with a claw clip and phone case decorating celebration! Thank you to everyone who attended and the lovely WECS members who coordinated it all!
