Welcome to June!

From all of us here at WECS, we hope your summer has been an incredible so far! Whether you're taking classes, doing a co-op, working a summer job, travelling, or just enjoying the sun, WECS is here to support you. June is a very important month, and we'd like to take the time to honour and acknowledge the many important dates and themes of this month. Keep reading to learn more about June, and about WECS' plans for the month!

Recent Updates

Updated Discord Server: We have updated our discord server to give you a new-and-improved experience! Here, we will post about our events and resources, and we're hoping to get regularly-occurring online game nights started as well! This server is open for anyone to join, so don't hesitate!

New Website: If you haven't had a chance to check out our new website, please do! It is beautifully built by our wonderful directors Charli and Ella, who programmed and designed it by hand. Check it out [here](#)!

We have a Volunteer List! Would you like to get involved in WECS but can't commit to a core team role? Join our Volunteer List! Follow up on our Instagram for more information, and keep an eye out for other opportunities on there as well!

Event Recap: Since April, we've hosted a variety of events including a recent Open House! We're especially proud of our final exam review sessions. They're one of our favourite things to do and we really enjoy helping students get ahead. Thank you to our wonderful review session director Sydney and all other WECS members and volunteers that contribute to those events! You may have also seen us recently at ECSS clubs day. If you stopped by to chat with us, thank you and we can't wait to see you again!

Upcoming Events

Dates and times below! Please keep an eye on our socials for any info not yet confirmed.

Build your own Ice Cream Sundae Social:

WECS and ECSS present a Sunday Sundae Social! This Sunday, on June 14th from 2 to 4, stop by the Engineering Lab Wing lobby to make a free sundae! End the weekend with a well-deserved sweet treat! Open to all ECS undergrads.

All Things June

June is a very important month and we'd like to take a moment to acknowledge all of the important dates, events, and historical moments recognized this month.

Pride Month!

Pride, Acceptance, and inclusivity are three of the most foundational values that guide everything we do here at WECS. In our current climate, it is more important than ever that we stand together and by our principles. WECS will always support members of the LGBTQ2IA+ community and are happy to be a welcoming space for all. Happy Pride Month, from all here at WECS! If you'd like to learn more about celebrating Pride in Victoria, visit the [Victoria Pride Society's website](#).

National Indigenous History Month

June is National Indigenous History Month in Canada. It is an opportunity to learn

about the unique cultures, experiences, and traditions of the First Nations, Inuit, and Métis communities who have lived on this land since time immemorial. Their presence continues to shape our Country today and it is important to take this month to recognize the ongoing impacts of colonization and reflect on how we can all contribute to reconciliation. If you'd like to learn more about this month, events, and reconciliation efforts, visit the [Capital Regional District](#) site, [UVic libraries](#) page for a collection of sources to view, or the [Government of Canada](#) site. I'd also suggest taking some time this month to learn about indigenous cultures or traditions. Projects like the [FirstVoices](#) project, which provides communities with an online space to share and promote their language as well as their oral histories, are fantastic learning opportunities.

It is also National Indigenous People's Day on June 21st.

International Women in Engineering Day

June 23rd is International Women in Engineering Day! If you'd like to learn more about the gender ratios of Engineers and how they've gone up over time or about how Women are making a difference in Engineering in Canada, see the [Engineering Canada](#) Site.

Canadian Multiculturalism Day

June 27th is Multiculturalism Day in Canada, a day dedicated to celebrating and honouring the many incredible cultures that contribute to the beauty that is Canada! If you'd like to learn more, visit the [Government of Canada](#) site.

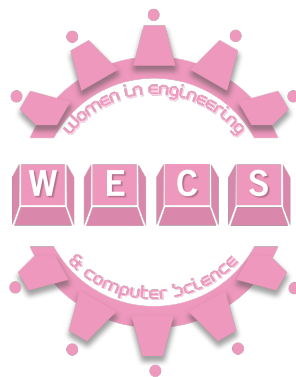

Convocation!

Congratulations to all recent graduates! You've worked incredibly hard to get where you are, and we can't wait to see all the incredible things you do!

Thank you for tuning into this edition of the WECS Scoop! We can't wait to see you next month. From everyone here at WECS, Happy Pride Month and Happy Summer!

Happy Pride Month!
